## **CHILDREN'S BOOKS AND GAMES**

Ships from the USA to select countries

Batani publishes children's books and games that capture different aspects of South Asian culture, in a way that is fun and interactive. We work with authors, illustrators, designers, and educators who are passionate about sharing stories and games with an intimate connection to our rich multicultural heritage.

*This colorful board book is sturdy and interactive. The illustrations are striking and appealing; the text is age appropriate for a younger reader. There is a glossary on the back page which provides more information about each god or goddess. An engaging book for exposing children to different beliefs in the world. Highly recommend. – A Happy Customer*

### 📖 My Divine Friends

A unique touch-and-feel board book. A finalist at the Next Generation Indie Book Awards, this colorful, engaging book will be a perfect addition to your little one's library!

### 📖 Little Butter Thieves

A cooperative board game that introduces children 3 and older to counting, taking turns, teamwork, and diversity.

Diversify your play room with our growing collection of books, games, puzzles, and more! For upcoming releases in 2021, visit [BataniKids.com](http://BataniKids.com).
