CREATES CHILDREN'S BOOKS

Ships within the USA & Canada

MODERN MARIGOLD BOOKS is an independent publishing company helping shape a generation that celebrates diversity and embodies inclusion. We create children's books that instill confidence at an early age by discussing identity, culture, and communal responsibility.

Marigolds are resilient flowers, determined to overcome obstacles and are deeply rooted in cultures around the world. Let's #RAISEMARIGOLDS.

📖 Shreya's Very Own Style (2020)

Written by Suhani Parikh, Illustrated by Lovyaa Garg, Ages 4-9

Though Shreya is a champion on the soccer field, the coolest scientist at her school and dances like a star, she just can't seem to figure out how else to style her hair. After all, how would she explain the patches on her head with no hair at all?

📖 Bina the Bookworm: Rises Above Obstacles (2020)

Written by Suhani Parikh, Illustrated by Sharanbir Kaur, Ages 2-6

Unlike most bookworms, Bina doesn't want to eat books -- she wants to read them! But her brothers keep eating her stories before gets the chance. Now Bina has to find a way to convince them to leave her precious books alone. Join Bina on her first reading adventure!
