CHILDREN'S PICTURE BOOKS & TAMIL SING-ALONG SESSIONS

Nool Monsters is an inclusive independent children's imprint celebrating the beauty and ingenuity of Tamil as a language, and as a people. We strive to raise curious, empathetic readers who find delight in the spectrum of color in which humanity exists.

Nool means book. And Nool Monsters are magical guardians. They protect the precious stories of our world from evil book-gobbling snakshasa bhoothams. Quick, say the magic words! JEE NOOL BAA!
