TAMIL CHILDREN'S BOOKS

Ships worldwide from Australia

Vaaranam Children's Books is an independent publisher based in Sydney, Australia. Established in 2017, Vaaranam Children's Books aims to nurture a love for the Tamil language through good quality, engaging Tamil children's books.

'We bought your alphabet books. When our child looked at the first page, she said அம்மா and hugged my wife by looking at the saree clad mother carrying a baby. That just made our heart full. We love the quality and the beautiful drawings and look forward to more books from you!'

- Raj Kumar, Malaysia

Unable to find good quality Tamil books for her own children, Vanitha turned to self-publishing. The Vaaranam brand has now grown to 6 Tamil books, including innovative elements such as lift-the-flaps, touch and feel textures and even an interactive clock! We have many more ideas in the pipeline, too.
