*"Books are a form of political action.  
Books are knowledge.  
Books are reflection.  
Books change your mind."  
- Toni Morrison*

Our books, prints, craft kits, and handmade collectibles are cherished by parents and educators seeking to create unique connections to South Asian history and culture.

We are honored to have been featured in Notable Book Lists by Kirkus Reviews, School Library Journal, South Asia Book Award, National Council for Social Studies, and Virginia Library Association among others.
